ADVICE
Connor
Corner

Dear Connor,
DUDE! You're a smaht guy, being in corner office and all, I got a questions dude, let me know what you think. Just read Nicole Kidman and Keith Urban getting divorced, I've always thought she was hot going back to Far and Away. I was a scab driver for Republic during the recent strike, but looking for new work as a Corporate Raider. Anyway dude, do you think there's any chance with me hooking up with a hot rebounding woman like Nicki? I'd give it go even if chance in one in a million.
Hot for Nicole on Neptune Street

Dear Hot,
Just to be clear, I give out insurance advice and related topics not a love column. Maybe talk to Leslie Gould. My two cents on your issue; I would think you're more in the range of one in a billion. Nicole Kidman is an international movie star, with A list men such as Tom Cruise and Lenny Kravitz at her beck and call. I don't think YOU, as a local with limited means is in the running for her heart. I suggest going to Crackle Barrel and meet a waitress, with a heart of gold. All I can offer at this point of your life.
Thanks - Nobody backs Connor into a corner except Connor!
