Incorporated 2001

Education On channel 8 and 1071 (xfinity), Gov't Access on channel 6 and 1070

What it does: Broadcast Municipal meetings, Local sports, and production resources for community members

Biggest challenge to Public TV is lost cable subscriptions due to shift of consumers to streaming services. Income will need to be replaced to sustain public TV.

## Baby Got Back

You know the Commish basically runs planet earth, but did you know she ports the latest in bespoke wear as well. A limited edition of 1 from world renowned Atelier Dee Licious. You can get one of these if you run the world too.

## Who wears it better?

When it comes to Hounds tooth wearables it doesn't matter if you're black or white. Kyle and Bob obviously shop the same stores on Fleet Street and their tailors ensure the proper fit. Style is back baby, what will you wear?
