A tasty Prez Sean

The mystical and mysterious world of Beverly Rotary, as we inducted our newest President Sean Goudreau and his team of mules we call the board. The stars all came out in their finest beach party attire to sip on a signature drink and celebrate all things Rotary. We even had District Gov Tom Hankard show up (was he spying or looking to switch clubs?) A splendid time was had by all I must say. Some dancing ended the night on a happy note. No flamingoes were hurt in the party.
