## Distinguished Citizen Award

Neil Douglas introduced our Distinguished Citizen 2017, John Thompson. Longtime friend of John, Neil gave a speech that listed the very essence of what this award is about. John's accomplishments are so numerous they couldn't fit in this page. Safe to say Neil keeps excellent company and John is more than a worthy recipient of this award from our club. Perhaps even more amazing Neil kept his intro to less than 5 minutes!!!!

## Paul Harris Recipient

Bob Broudo of Landmark was honored for his devotion to the school, Beverly and making the world a better place. After coming to many of these dinners he was put on the spot with the surprise award. We did catch a halo over his head as he spoke which confirms we picked the right man. A banner night for Landmark see below for more details.

## Paul Harris Recipient

A picture is worth a thousand words and were sure we could easily stretch it to 5000. Mark Brislin former treasurer, former board member, former man about campus and current garden waterer, was recognized by the club for his numerous efforts to make our club and the community a better place. On his home turf at Landmark he and Bob Broudo are the new glimmer twins walking loud and proud on the hill. Great job Sir Mark!

## Paul Harris Recipient

Last but not least we have the Energizer Bunny, Sue Gabriel who was awarded a Paul Harris Fellow. Sue as you all know is tireless in her position at Bootstraps but she is also tireless with the Rotary helping out in various events, hosting the club, and increasing views of Derek on facebook over %400 percent. Great job and well deserved.

# ORIGINS OF TREFRY

**Maureen Trefry**  
Rotary President 2017-2018

There are many hypotheses about the etymology of the name Trefry. Much of the commentary focuses on a Franco-Canadian origin for the name. Phonetically Trefry is similar to the Québécois expression "tres free!" expressing surprise or astonishment. The English surname Trefry is derived from the same root as docha in the Old French yaknowl, referring to a dontchaknow, which is universal for Don't You Know(without accent). Several researchers have attempted to trace Trefry to the character of Bon Frer or Tres Jean of French Canadian folklore without success. We do know that the correct pronunciation is NOT Tree Fry nor Three Fry. Local linguistic difficulties are not represented since both "r's" are not preceded by a vowel. Since this is Maureen's taken married name the blame falls squarely on husband Paul who has created this gummy situation by being born into this kerfluffle.

Now you know the rest of the story, which will be mighty boring if repeated in any form.

## Random Thoughts

We have proof (see photo) of the exact moment in time when Maureen said yes and turned the club back to normalcy. Some of the old timers were glad we have a banker back running the show. No matter what it will be glorious (ripped from Will Ferrell). Moiph received an unexpected award from outgoing President Bill for being the voice of reason and going the extra mile. Still counting the chads but we are grateful to be honored for doing what he loves. Sue Gabriel took a page from Let's Make a Deal as she rushed the podium to great applause and obviously a great big hug. A new board was sworn in as well, and photographer was able to get all in one shot, something a Marciano family pic can't do. Good luck to all especially Maureen who will guide us for the next year. Well actually more than a year since Prez Bill has been gallivanting in Colorado and parts unknown. NOT TREE-Fry
