## Talk Like Your President

If you ever wanted to get on the good graces of your President, then you need to speak her lingo. We offer these tips to get you in the inner circle

**CHECKSIE:** To go check up and see how something is. Example: "Go checksie the roast in the oven." Or, "I bet yer wife checksies where you really were."

Spreading around randon shots from last week for your viewing pleasure

Last week at our evening dinner, a potion of unknown origin (pictured at right) was passed around for Rotarians to sample. It certainly had a unique taste and many of the attendees remarked on its subtle qualities( Medicinal, Hand to Hand Comment, Nice Bouquet with a Battery Acid Finish).

Bob Murphy unfortunately spilled some on his hand and table an immediately it dissolved his hand. Soon after his head completely disappeared and believe it or not all were not very alarmed. The spill on the table continued burning through the table, floor and the sub crust of the Earth. Last seen it was on its way to the core of the Earth. It has been blamed on the recent Hurricanes in the Carribbean, heat in California and Red Sox sign stealing fiasco against Yankees(Who Cares?)

What is the source of this Volcano Juice? Did it arrive to us from the Southern hemisphere, from another world, or is it just plain luck we have this molten lava apertif?

yyuck!

Good News/Bad news:Good News Bob's head grew back, Bad News Bob's head grew back

# Last week at the Beverly Rotary Club

Party-on-the-Deck Party... a night where Beverly Rotarians enjoyed booze and NYC's finest hot dogs and cheeseburgers

Meeting was called to order... There was certainly no order at this meeting at 6:00pm by President Maureen

Special Guests included Paul Trefry (the First Husband of Beverly Rotary), numerous wives, husbands, SOs, WAGs, and this Scribe himself

**The Song** was led by Ex-President Bill Beckman who played some Johnny Cash song on the harmonica

President Maureen wanted to tell everyone that on August 29, 2005, Hurricane Katrina slammed into the U.S. Gulf Coast, destroying beach-front towns in Mississippi and Louisiana and displacing a million people and killing more than 1000... alcohol and music interfered with Maureen's ability to be so informative

**The Club sang Happy Birthday to Jo Broderick**

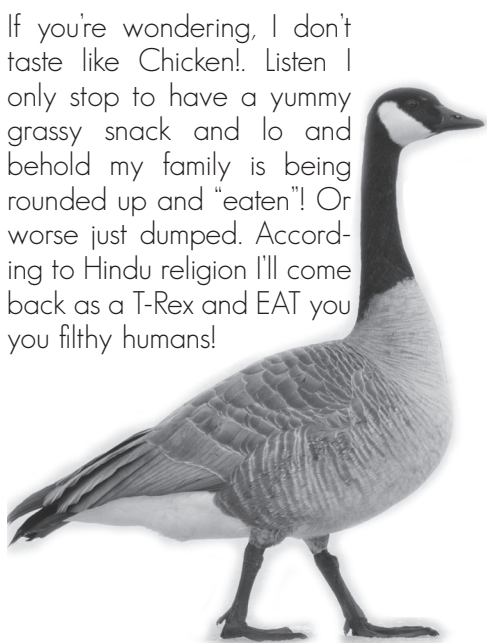

### Special Announcements.

Most of the members attending enjoyed Argentina's finest liquor that was brought to us by Francisco, who at 18 y.o suggested we mix it with Coke

General consensus was that the bar should be opened at all Rotary meetings in the future...

A good night had by all.

Best,  
Mike Osborne

## 7th Annual Rotary Golf Classic

With just two weeks before our 7th annual Golf Classic it is in true Rotary form to wait until last minute to sign up. Matt has been seen ripping his hair out (with not much to give). Please help Matt retain his follicles, sign up today he'll be a happy camper. Since we are trying to confuse you we placed this vintage photo at right to throw a wrench in the works. On September 18th our club will have its 7th Annual and you need to be part of it. Contact Matt and let him know yes Mr Gopher I will play and get a foursome together. Tee sponsors, games and raffles all part of the goo that is golf. Nothing says golf than a pair of lederhosen. Won't improve your game except with the ladies... Grrrrrrr Baby!!

## Guest Speaker 2 Weeks ago

Rick Squires from the Rotary Club of Chippenham (outside of the UK) gave a compelling, informative speech regarding the Wellboring Project charity. The charity provides clean water to schools in Kenya. The community also uses the wells. The Chippenham Rotary Club has a focus of water and sanitation. They are in process of securing grants and donations from other clubs and Rotary Foundation in order to drill more wells.
