GASTRONOMY WITH GABRIEL

FOODIES FORUM

Dear Sue:
I'm went down to the food pantry for some cookout supplies and all they had was a package of hotdogs and Frenchs yellow Mustard. How am I supposed to entertain with such common foods?

Hot diggidy
Home Street

Dear Diggidy,
The mysterious world of food depends on where you sit and whats being served. The late great Julia Child said; OH, any dish spoken in French sounds better than what it is. If budget is your concern the Hot Dogs with yellow mustard spoken in French would be quite delightful. Example: Servir avec style et grâce, avec Steak de tube à gogo, et moutarde jaune (translation: Serve with style and grace, with Tube Steaks galore and yellow mustard). Doesn't it sound yummy in French. It even sounds great in Norwegian (Server med stil og ynde, med Tube Steaks i massevis og gul sennep) Enjoy your party, we like grilled dogs over boiled, and don't forget the fèves au lard (baked beans) to make it a full and nutritious meal for all to enjoy.
