## GASTRONOMY WITH GABRIEL

FOODIES FORUM

Dear Hungry,

At one point these tools were used to stir, roll out or mash food to your taste. In recent years they have earned a reputation as a person's tool to punish a spouse or better half's wandering eye. You can still use to mash potatoes or stir a soup. As always Bon appetite readers! *Gastronomy with Gabriel is a food advice column*

## FOOD DRIVE

Although quite delicious, please don't bring any wonder bread. We are looking for weight to kick other clubs butts. May we suggest big can of beans, or Peanut Butter, or even side of beef! Not fluffy white bread.

Mission to help residents and businesses live or operate more sustainably. Do this through free services, educational events, community projects, and coaching programs. Educational events such as the "Great Pumpkin Smash" being held on November 5th at Moraine Farm. The underlying message of don't put food in trash has translated into smashing and composting pumpkins. Also, there will be a beer truck, live music, and lawn games. Other programs include food reclamation, getting good left over food to good use and not thrown into the waste stream. Partner

coaching for landlords and property owners for upgrading energy efficiency projects on their buildings. Started a green business directory for people and organizations that are taking steps to be more sustainable.
