GASTRONOMY WITH GABRIEL

FOODIES FORUM

Dear Sue:
Picked this up at the TS (Thrift Store), not sure what it is but looks like a fancy Easter basket. Any thoughts?

Basket Case on Chase St.

Dear Basket case,
We consulted our team of rare treasure and finds and it seems as if you've stumbled on a late 1900's Mycology Collecting basket. For those NOT in know, that's the study of Mushrooms. I think you can gather some choice Magic Mushrooms behind the high school woods. As always Bon appetite readers! *Gastronomy with Gabriel is a food ad-*

Ipswich river is one of the top ten endangered rivers in the USA. This

is due to human forces. Mostly, overuse of water by Beverly, Peabody, Ipswich, Boxford etc.

Some things you can do:
Use low flow fixtures.
Plant drought resistant lawns.
Educate others!
Go to their website to take a survey (should be in your email too)

Do-Gooder Corner

We are looking for 6 to 8 people to assist with a service project for the annual Beverly Bootstraps Holiday Gift Giving program. We will assist in preparing shopping list from information input directly from the Bootstrap clients into a software program called Roonga Reader. This is the second year using the Roonga Reader software (it is a time saver and helps with accuracy).

A training session (with lunch) will be held on Wednesday Sept. 27 at 12:30 to 2:00 at Bootstraps. For those who can't attend on that date a second training session will be held if needed.

We need Rotarians that are comfortable working on a PC (if you have a laptop please bring it with you). Bootstraps has a few extra laptops for people that need one (iPads can work but they are a little clunky and not as easy to work with as a PC).

The goal is to provide an accurate "wish list" to the sponsors ensuring each child wakes up to their desired gifts - warm clothing, fun toys - Christmas morning smiles.

Please let Ellen Dunn or Nathan Seavey know if you are able to assist or have any questions. Email contact info: fitzdunn@me.com
